# A LOOK AT THE NEXT 30 YEARS OF ENERGY TRADING

## The Talk

Keynote presentation on the future of energy trading.

## The Panel

Q&A session with our keynote speakers.

## The Awards

Announcement of pre-event competition winners live.

## Stalls & Networking

Explore the stalls. Meet the team. Find your place in the next chapter of energy trading.

## EVENT TIMELINE SUMMARY

Onyx Capital Group is the world's #1 liquidity provider for energy derivatives and the parent company of **Onyx Commodities**, **Flux**, and **Axis**. This event is to share where we see this market going next, and to meet the people we want to build that future with.

Expect a night of insight, conversation, and competition, with direct access to the team behind one of the most important markets in the world.

## WHAT'S IN IT FOR YOU?

### Apply for an internship:

Meet the team, ask the questions that matter and put yourself forward for an internship at the event. Start your career at Onyx Commodities - the #1 liquidity provider in oil derivatives globally.

Only attendees at our [student event](#) will be considered for internships.

### Get a chance to compete against other attendees and win £1000:

Enter either of our competitions (research or trading) for the chance to win £1000. Apply by **13th July, 2026**.

More information available on our [website](#).

# TRADING

## INTERNSHIP DETAILS & COMPETITION OVERVIEW

### JOIN THE TRADING COMPETITION

Engage with our live trading simulation and develop skills crucial for a successful career in energy trading. This includes understanding market dynamics and executing trades to maximize PnL.

### INTERNSHIP STRUCTURE

The trading internship is a four-week, full-time program designed to immerse interns in the fast-paced environment of energy trading. Participants gain hands-on experience working alongside trading professionals.

### COMPETITIVE EDGE

Top performers during the internship will be fast-tracked into the Onyx Graduate Trader Programme, providing a unique pathway to accelerate their careers in the finance sector.

# RESEARCH

## INTERNSHIP DETAILS & COMPETITION OVERVIEW

“We hire exceptional people, to do exceptional work, for which they are exceptionally rewarded.”

- Greg Newman, CEO, Onyx Capital Group

### JOIN THE RESEARCH COMPETITION

Submit a response to the following question either as a research paper or as a trade idea: **Evaluate the short and long-term consequences of the recent US-Iran conflict on the oil market.** (Maximum 1000 words). Your written submission must be accompanied by a video presentation of up to two minutes, in which you talk through your response to the question.

### INTERNSHIP STRUCTURE

The Onyx research internship offers hands-on experience alongside industry experts, developing analytical skills and producing meaningful insights. Interns engage with proprietary data to craft comprehensive research reports that influence the commodities market.

### PROFESSIONAL DEVELOPMENT

Our research interns learn teamwork dynamics, analytical competencies, and presentation skills. This immersive 4-week experience equips participants with the tools necessary for a successful career in finance and commodities research.

# THE PATHWAY TO SUCCESS

1. Start by registering for the event, where you'll gain insight into our trading philosophies and meet our team. Next, attend the evening filled with networking opportunities, engaging discussions, and the chance to showcase your potential.
2. Don't miss the chance to enter our competitions and win exclusive prizes on the evening: July 23<sup>rd</sup> 2026
  - **Research:** Best research paper submitted with video presentation
  - **Trading:** Best trading strategy / PnL on trading simulator
3. The path to securing an internship with Onyx is straightforward and designed to provide students a chance to shine. Only attendees from the event will be eligible for an internship with us in research/trading. Submit your applications with a cover letter and CV and make this your exclusive chance to contribute to the future of energy trading.
